Renamed and revamped, but true to Silas Hocking's classic "Her Benny", "Our Benny" is a rags to riches, feel good musical, following the fortunes of Benny and his little sister Nell, as they rely on courage and love to survive in Victorian Liverpool. Once the orphans are taken in by the kindly nightwatchman, Joe Wragg (Sam Kane) and his wife, Sally (Bernie Nolan), life for all takes on a new meaning, but happiness can be short - lived. Benny must learn to cope with loss, injustice and separation before being reunited with the Wraggs and his benefactor and employer, Mr. Lawrence (Johnny Kennedy) and his childhood sweetheart, Eva (Emma Dears).

With rousing song and dance numbers, stunning choreography and new musical arrangements, this instantly appealing musical invites you to laugh, sing, cry and be captivated. Liverpool's best - loved classic story has been transformed into a brand new exciting production to celebrate 2008.
